

Step 1: go to getakahoot.com and create an account.

Step 2: Choose the type of activity that you want to complete.

- Kahoot also allows searches for common topics, then you can edit as needed for your class.

Step 3: Enter your questions and answers.

- Click "incorrect" button to change it to "correct".
- Can have 2-4 options for answers
- Can add photo to projection
- Limited to 100 characters of text per question
- Answers support notation

Click here to navigate through your questions.

Click here to add a question.

Click here to finalize your quiz.

Optional: Re-order questions by dragging and dropping them into place.

------	-------	---------------------------------

			Quizizz
student enthusiasm	engaged, but less of a game environment compared to Kahoot	high energy, students ask for it.	high intensity, students ask for it
detailed instant feedback for student	none	some--right/wrong, where they are in standings	right, wrong, where they are in standings
detailed instant feedback for teacher	yes, this is perhaps its strength	able to see # of responses for each choice, but not who chose what	Excellent and downloadable--at the end of the game
easy to use	yes, but need multiple devices.	intuitive, can edit & run from one device	yes, the most intuitive of these 3. Can edit & run from one device
prep time	more initially: have to set up classes first, make cards	very little, and can import others' quizzes	very little, and can import others' quizzes
flexibility in questioning format	text only; allows more characters than Kahoot	allows inclusion of photos, video, and notation	similar to Kahoot, but can offer scrambled question order so students seated near each other get different questions
overall feedback	instantaneous, can see results as a graph	right/wrong with answers chosen; delivered in spreadsheet, including Google Drive	excellent and downloadable--at the end of the game in a spreadsheet with whole class analysis
materials needed	projector, computer, AND one iPad or mobile device, plus set of cards	projector, computer, AND a digital device for each student.	projector, computer, AND a digital device for each student.

- Videos with pre-made, high quality, progressive activities to develop listening comprehension and vocabulary skills.
- Activities are self-grading :)
- Native speakers from various countries using natural language
- Stars indicate relative difficulty level, not popularity

Student view after login

The dashboard shows a search bar, navigation tabs for Videos, Vocab, Structure, and Resources. A 'Leaderboards' section displays a list of classes and students with their scores. A progress indicator shows '0/1 completed' for a video titled '¿Háblame un poco de tu famili...'. Another video 'Fall Spanish 1, Period 3' is shown as '25/28 completed'.

Video options within selected questions

The question is: '¿Hoy vas a comer tus 5 porciones de frutas y legumbres? ¿Por qué?'. Four video options are shown, each with a star rating, icons for different activity types, and a 'W' icon with a number. The options are:

- Option 1: 5 stars, W 76, 0:42, ID 1496
- Option 2: 4 stars, W 79, 0:46, ID 1055
- Option 3: 5 stars, W 95, 0:29, ID 1150
- Option 4: 5 stars, W 48, 0:27, ID 1087

Available topics

Topics are organized into categories:

- Friends and Family:** your friends, your family, describing people, birthdays, friends future, harry potter, family past
- Freetime and Leisure:** technology, films, internet and apps, cultural issues, sports, clothing, music, sports future, cinema, reading, tv, fastfood, health, freetime future, festivals, christmas, holidays past, celebrities
